Hey Mr. Getty---

I would like a job with your. Consider me for a position as an intern in your company. Let me show you how I can really show off my stuff and do great things to turn your museum around!

I have visited your museum so many times and have found it to be dusty and dingy. Many of us kids were bored and knew something needed to be done to spice up the museum. I have taken decorating and art classes that could help spice up the place.

There is a copy of my resume, which shows what a positive influence I can be on the museum and also some of my skills, including:

- Have hung out with the dinosaurs
- Explored hundreds of museums
- I like to write letters

I will be calling you for an interview. You must hire me. I can make the difference between you getting visitors or not. I will be at your place on Tuesday, February 05, 2007 at 4 pm. You will be glad you met me, I can assure you of that.

Sincerely,

Nathan the Brilliant
